Please join us to learn more about the biannual China Import and Export Fair (Canton Fair), China’s largest and most important trade show. With over 58,000 exhibitions, the Canton Fair is one of the best places to source products, meet partners, and reach the growing Chinese consumer market. This year, the spring session of the Canton Fair will be held from April 15 to May 5 and the fall session will be held October 15 to November 4. U.S.-China Chamber of Commerce (USCCC) is pleased to have been a partner of the Canton Fair for over 15 years and has led several trade missions to the Canton Fair. We are grateful for the support of Metro Atlanta Chamber and World Trade Center Atlanta for this event. The Chamber, in cooperation with other organizations, intends to lead a mission to the Canton Fair this fall.

This information session provides relevant information for companies and professionals interested in sourcing products from China as well as selling products to China in a cost-effective way and discovering new business opportunities. The presentation and Q & A session with the Canton Fair organizing committee will be followed by a cocktail and networking reception. A senior leader of the Canton Fair will be joining us from China through video link. This is also a unique opportunity to network with others engaged in international business.

There is no fee to attend this event but space is limited and it is by invitation only. Please RSVP by completing the registration form below and emailing it to RSVP@usccc.org or by faxing it to (312) 368-9922. You can also register online at www.usccc.org. The registration deadline is Monday, March 20, 2017. Please note that no walk-in registration will be accepted. Thank you.
