**U.S.-China Chamber of Commerce**

USA

Business Sector: Trade Organization; Business Networking Platform; and Incubator

Description:

Founded in 1993 by the late Prescott Sheldon Bush, Jr., U.S.-China Chamber of Commerce's mission is to promote the understanding between the peoples of China and the U.S. through increased trade and investment activities. USCCC provides one of the largest and best business networking and referral platforms for businesses and professionals for U.S.-Asia business. Its direct, unbiased, insightful analysis and comments with a focus on the future are the core value of the organization. USCCC is 100% independent and receives no major funding from any government or large corporation or foundation. Despite its limited resources, USCCC offers a wide range of services and has assisted thousands of companies, particularly SMEs and entrepreneurs, to grow and stay competitive in the global market. For instance, one of the companies that is involved with USCCC has grown from \$7 million in revenue in 2001 when the founder and owner first met USCCC event to \$150 million in 2017. USCCC is re-positioned for the future. In addition to continuing support the manufacturing sector, USCCC will strengthen its presence in the sectors of e-commerce, logistics, fintech and broadchain and will expand its presence in countries along the "One Belt One Road." Its affiliate has recently set up an office in Vietnam and has become more active in ASEAN.
